

ABOUT THIS COVERAGE

Every day businesses are faced with mitigating some type of new liability risk and defending potential litigation. For that reason, purchasing a liability umbrella policy is coverage that no business should go without. Provide your clients with added liability protection and alleviate their concerns about losing income or assets.

PRODUCT HIGHLIGHTS

Umbrella coverage over general liability, auto liability, employer liability and liquor liability policies.

KEY ADVANTAGES

- Policy limits up to \$5 million*
- \$500 minimum premium per layer
- Policy premium up to \$10,000
- Available as standalone or over our Binding Commercial Products
- Written on admitted paper
- Over 260 classes available
- * For risk outside of the maximum limits/premium and/or appetite, please contact an Osprey underwriter for review.
